

Manual

BA Bench

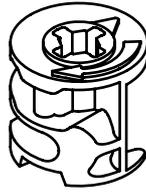

Tools & screws

6x Dowel

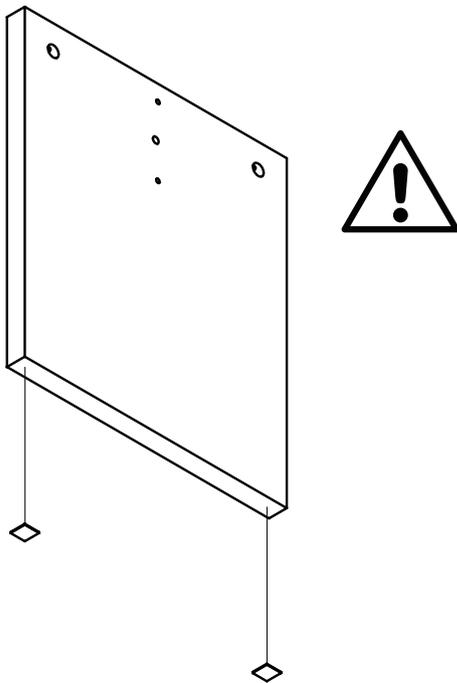

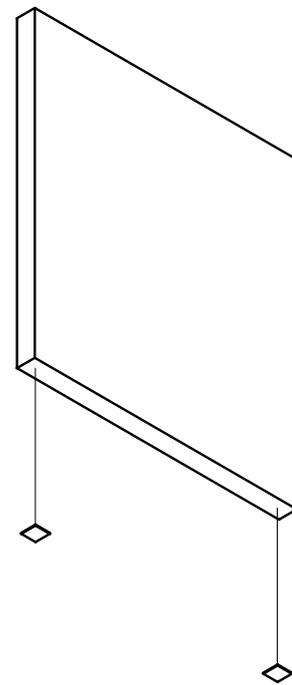

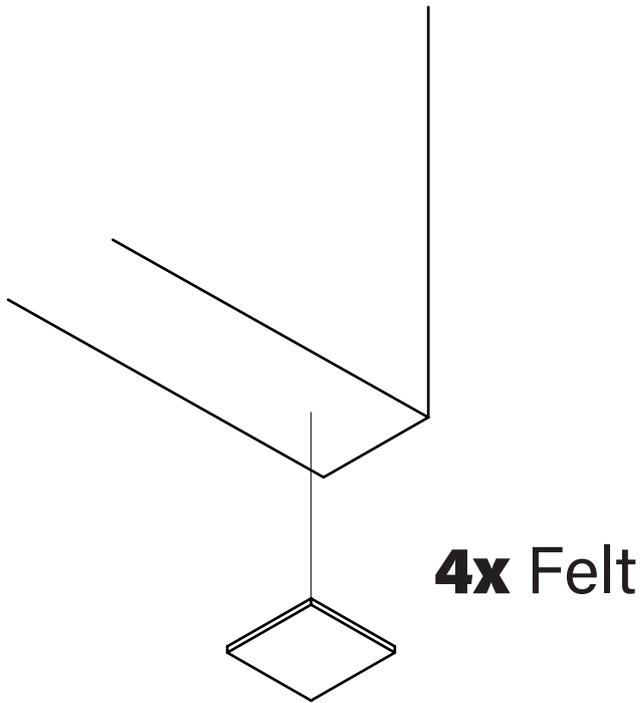

8x Minifix

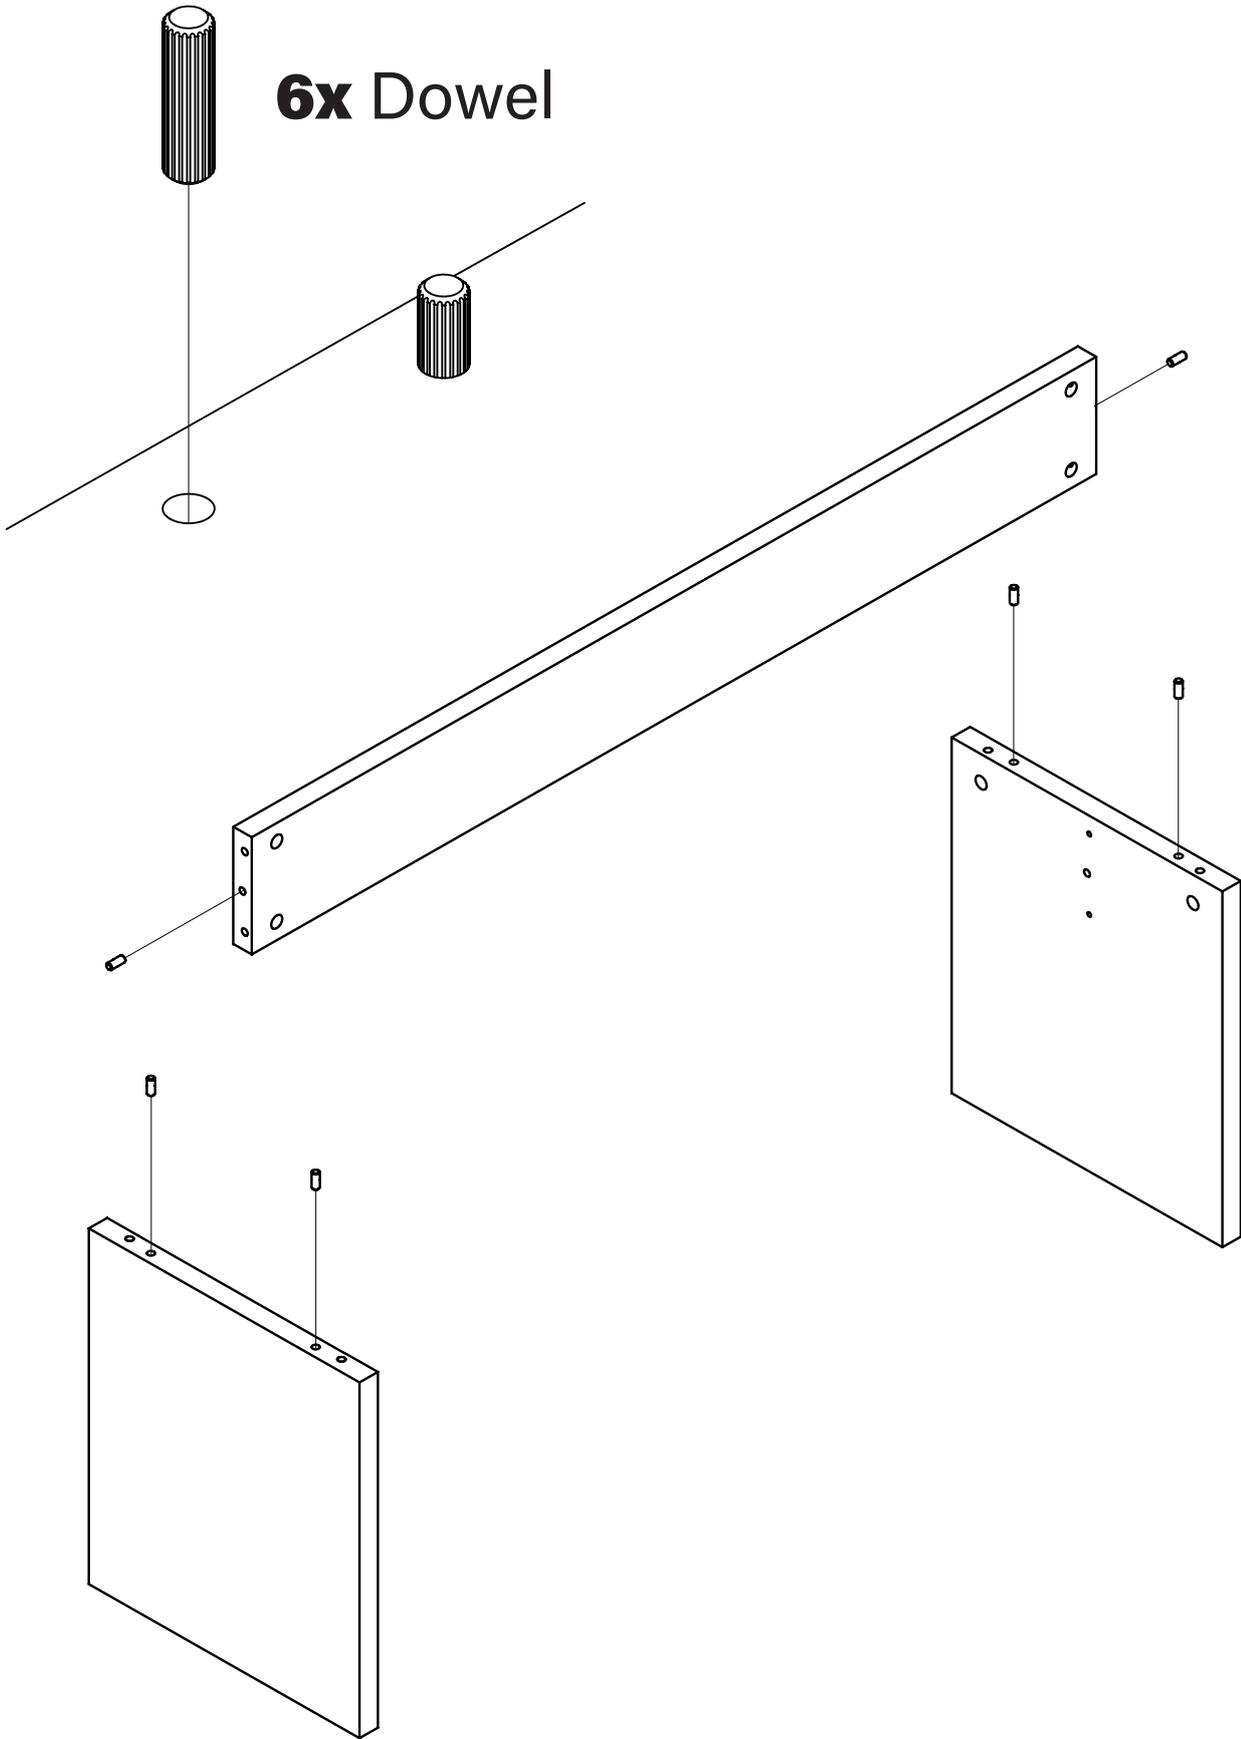

8x Pins

1

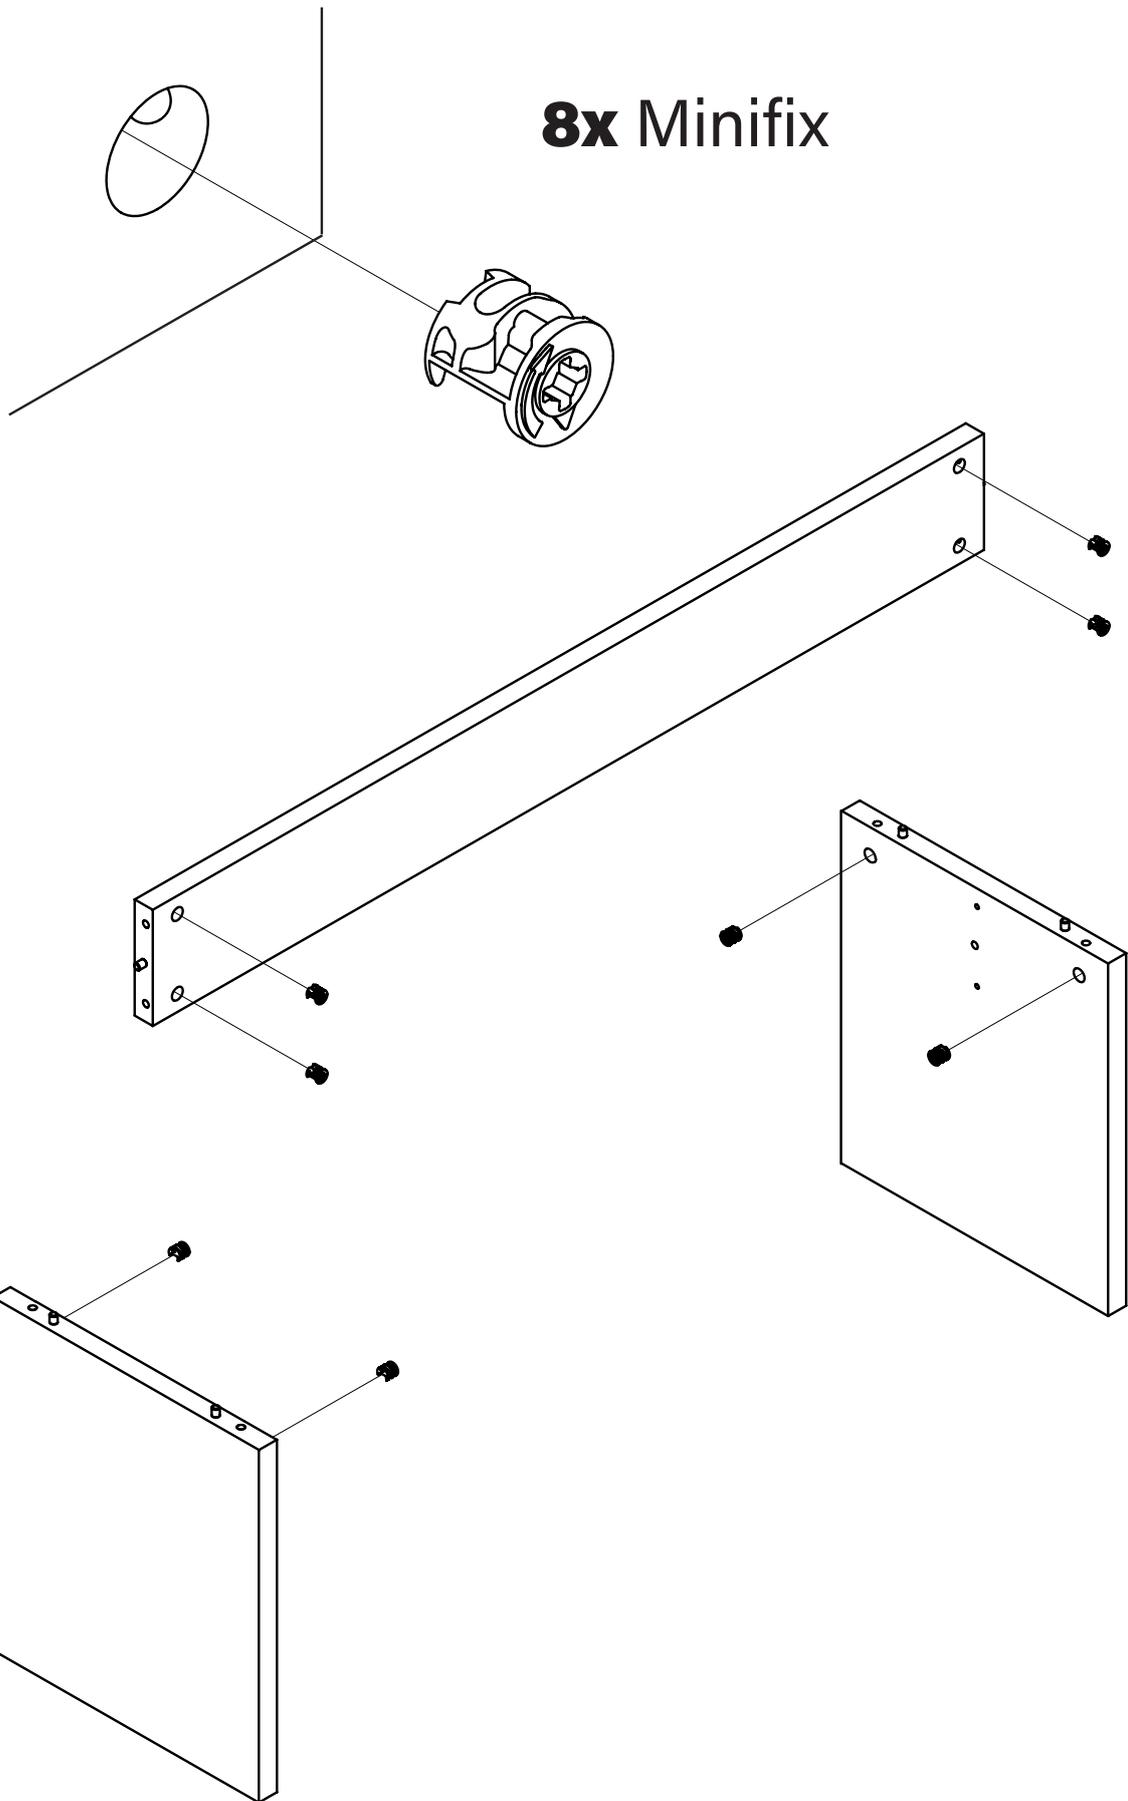

6x Dowel

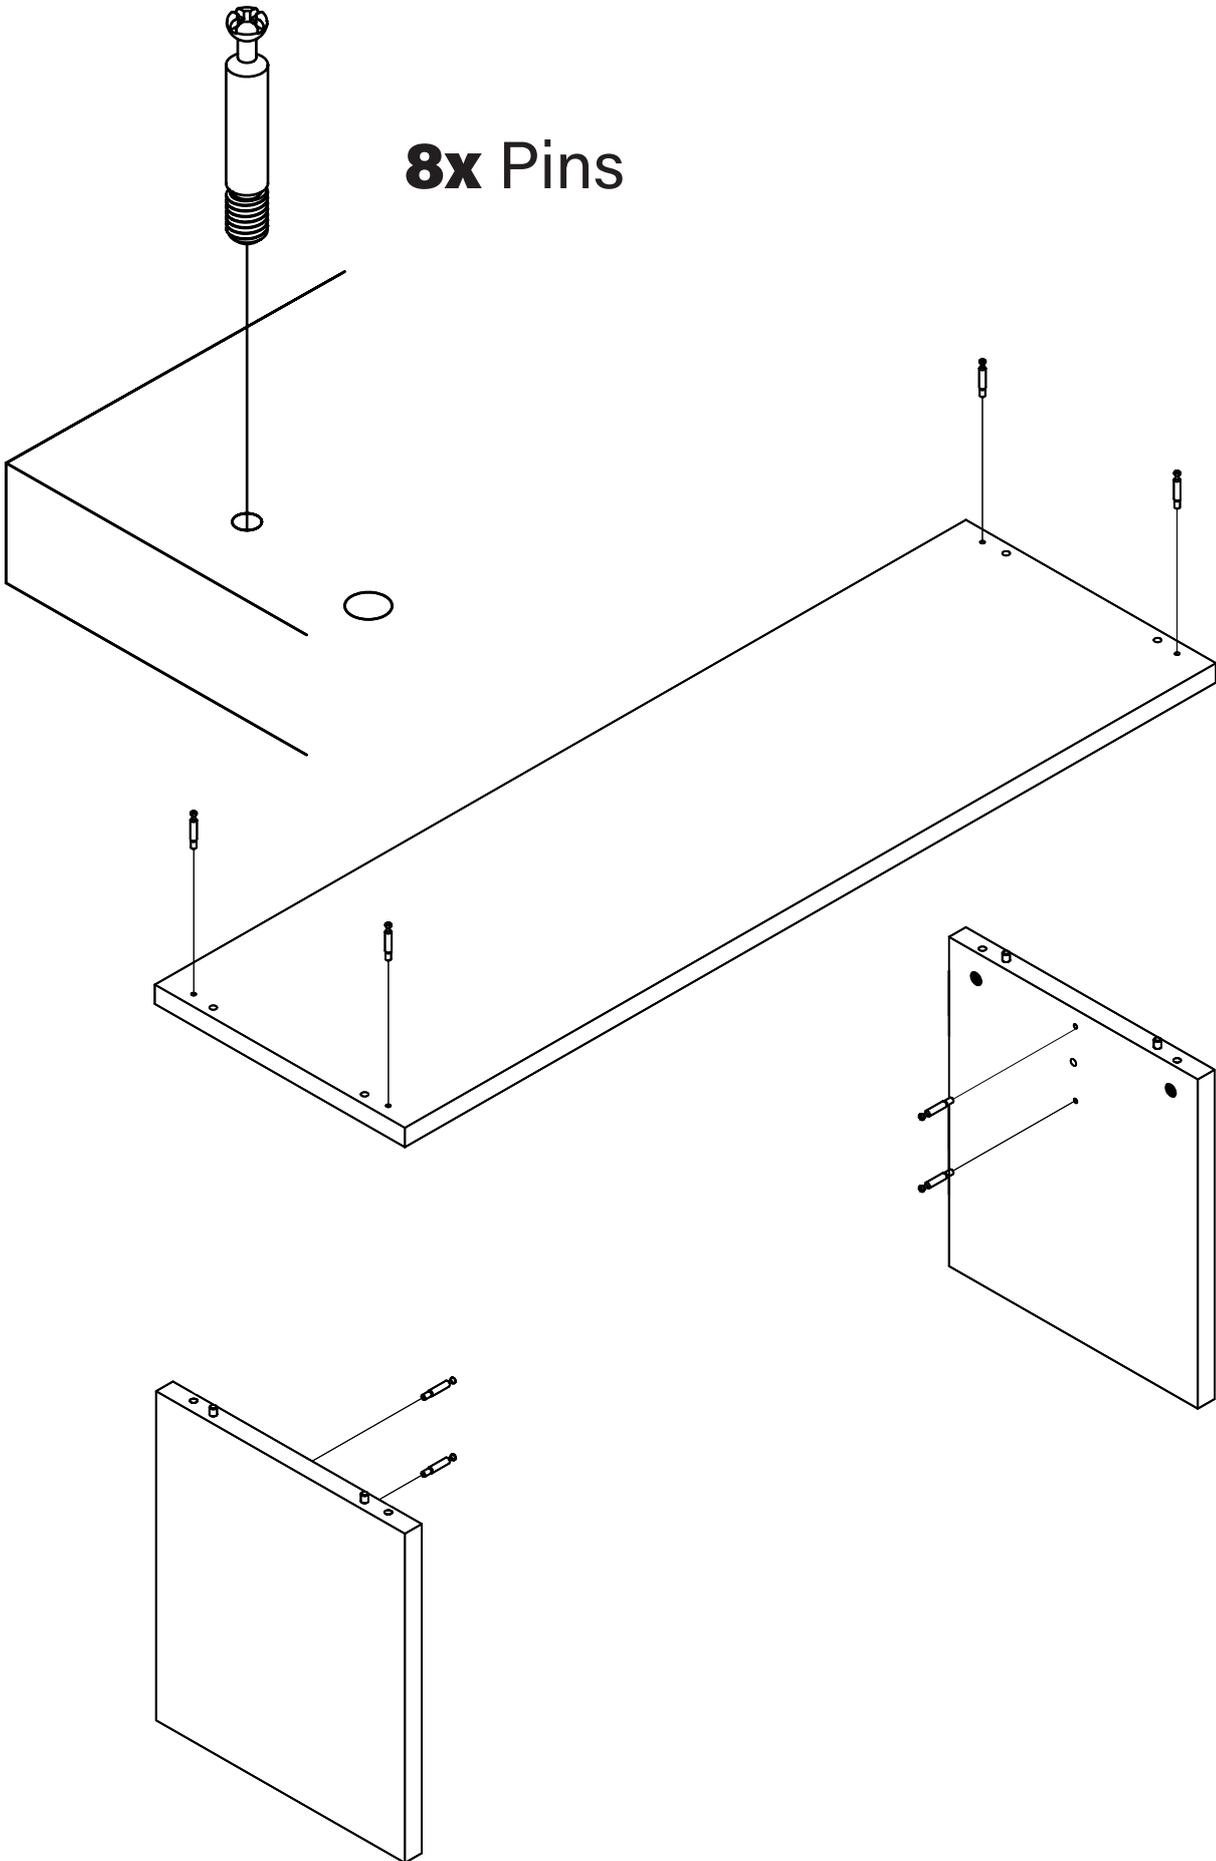

Place the 6x Dowels in respective holes of the crossbar and legs.

Platziere die 6 Dübel in die jeweiligen Löcher des Querbalken und der Beine.

3

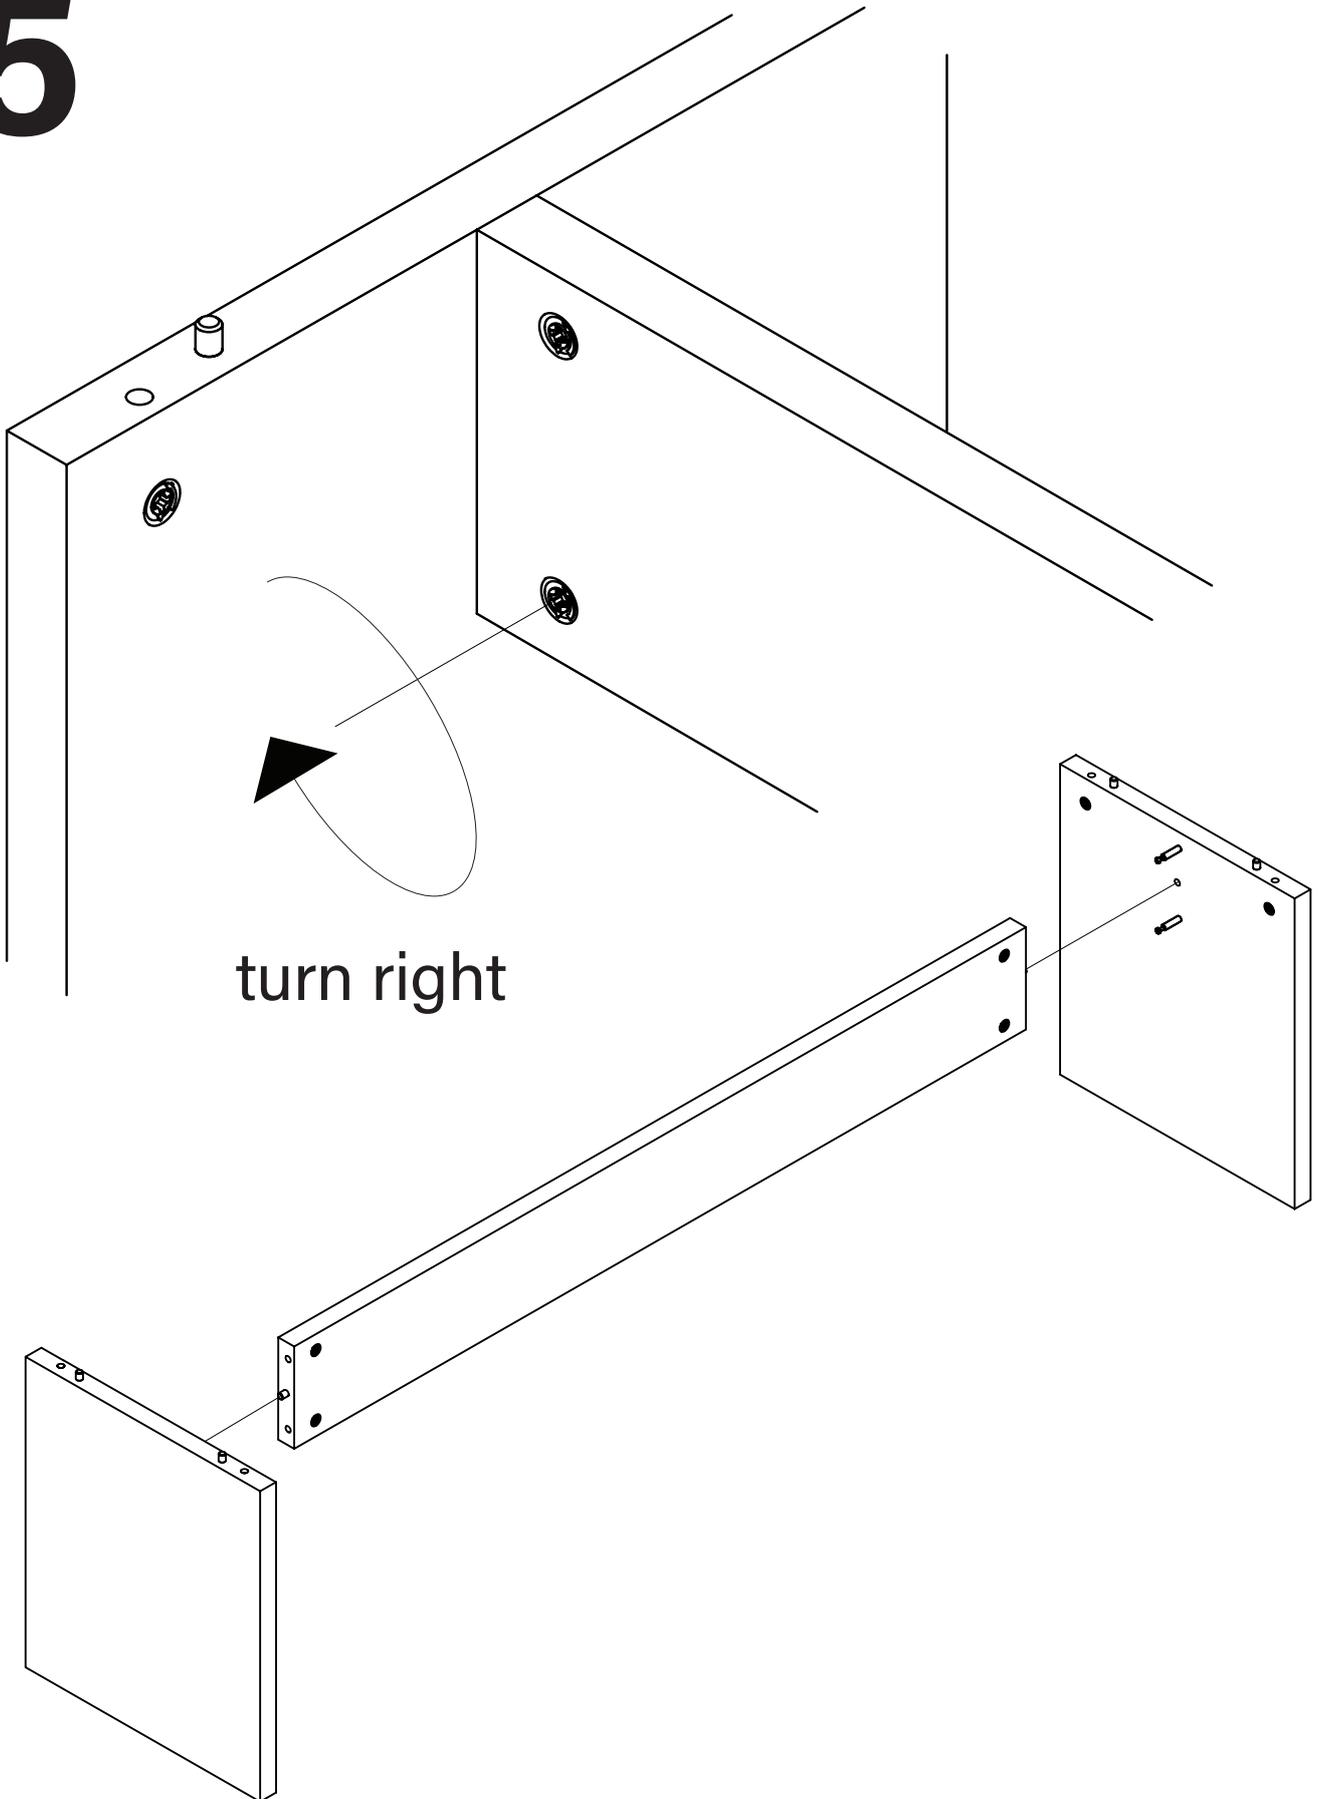

8x Pins

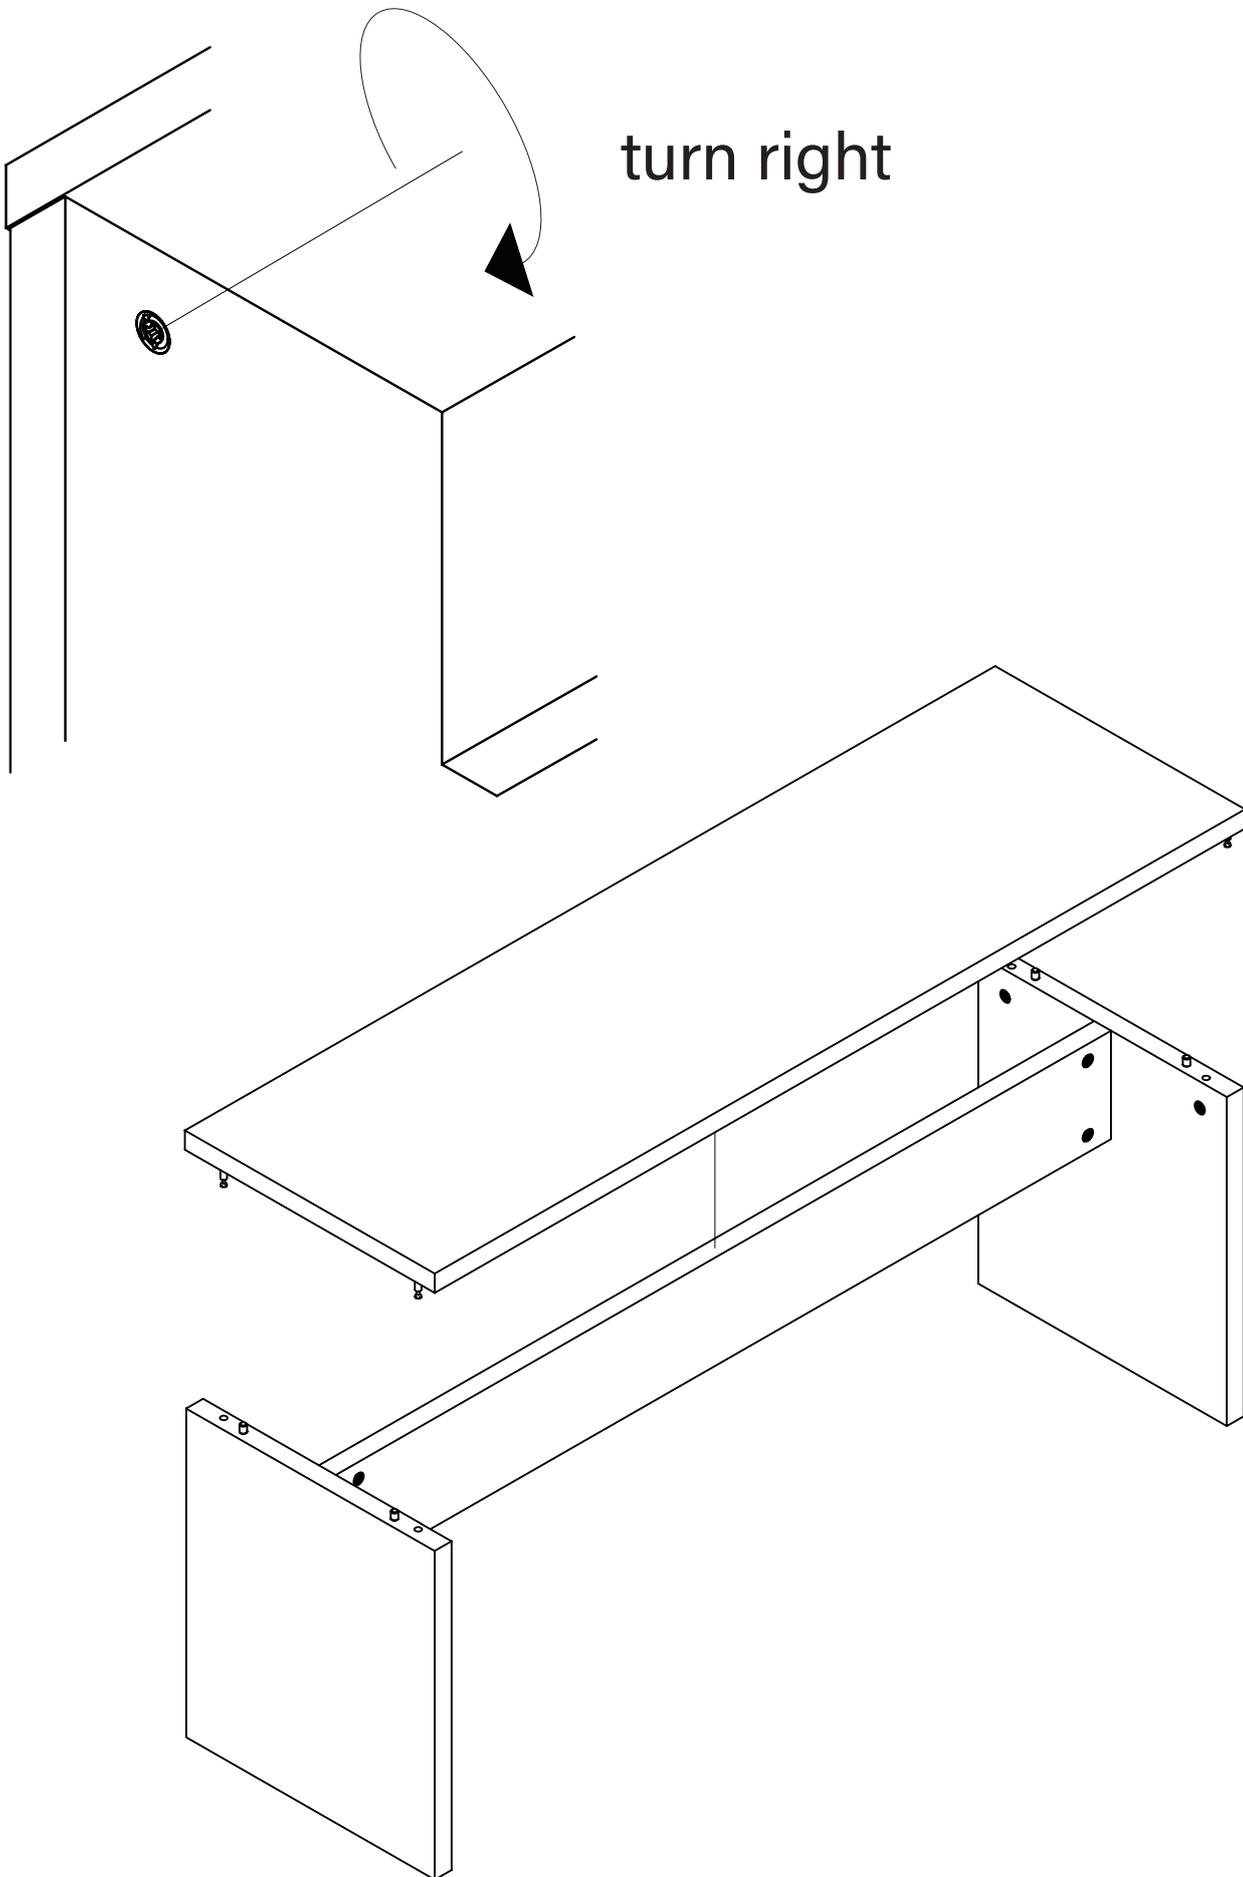

Now the 8x Pins have to be attached to the backside of the bench seat and the legs.

Nun kommen die 8x Pins in die Unterseite der Sitzbank und in die jeweiligen Beine.

5

turn right

Place the bench seat on the crossbar-leg construction and fix it with the Minifix by turning them right. That's it, Enjoy!

Platziere die Sitzbank auf das Gestell (Querbalken und Beine) und fixiere sie durch die Minifix. Das war es schon, viel Spaß!
